Create an outdoor living space that is beautiful, comfortable and will offer you years of enjoyment with a care-free, durable freestanding vinyl pergola. Our pergolas are "actual size" from post center to post center - the measurements are not of the "top of structure" like many of our competitors.

Each vinyl pergola, vinyl patio cover comes to you with everything you need for quick and easy assembly, so you'll be enjoying your new pergola in no time. And remember, if you have any questions or concerns along the way, you can call our toll-free help line and talk to a knowledgeable professional who's here to help. All of our pergolas are available in the colors white, tan, and Khaki.
